

# It's National Library Week April 7 through April 13

In recognition of Nat'l Library Week,  
this Library will waive and forgive fines  
on Monday, April 8 through  
Saturday, April 13.

You must be present and show us  
your library card to take part.

This does not include fees and fines  
due to lost or damaged items.

This is a terrific way to wipe the slate clean  
and continue to enjoy our library services!
